You MUST agree to the below and sign your name in order for you to participate.

I \_\_\_\_\_ would like to be in Murder in the Musical (Musical Murder) the movie. I understand that this means that I will be responsible for attending all of my rehearsals, shootings, and photo shoots. I also understand that if I am not allowed to miss any of the above unless if I have a conflict written on this contract. I realize that this movie and pictures will be posted online since they will; I give my permission for my pictures, videos, and name to be posted on the Internet as long as it is being used for this movie. I will not allow my name, pictures, or videos to be posted online if they have nothing to do with Musical Murder. I understand that if I do not want my full name on the Internet then I will be permitted to have just my first initial of my last name on the Internet. I understand that I have to finish the movie and that I cannot quit until the movie is finished, saved, online and on DVD. Lastly, I understand that I have made a commitment that must be fulfilled and that I cannot back out of until it is completely over.

I will agree to all of the above by signing my name and dating this document.
